pencil/eraser/ruler (metal edge preferred)

Utility Knife and/or x-acto knife and cutting matt (extra blades are helpful)

Sobo , Eileen's Tacky glue, or PVA glue (4 - 8 oz.) whatever you have

glue brush - if you have one, plenty here to share

small T-square, plastic triangle - if you have, again, plenty here to share

personal choice of decorative papers - a variety of commercially available papers will be offered for choices as well. It is nice to have some decorative and some plain to combine - individual choice.

Bring small jewelry type boxes if you have some. These are helpful for beginning, to understand the processes/techniques. We will also start from a flat surface to construct a box design, this will be provided.
