

## **Build a Better Collage    Supply List**

Jacqueline Sullivan @ Whispering Woodlands    Sat/Sun    March 17/18 10 - 5

Paint your own papers, make some transfers from your art or photos and learn some textural techniques. All of this will help you build collages that are uniquely your own. This is a different approach to collage than the currently popular found object collage. With these methods your artwork will truly be your own.

Students should bring:

Water container

1" brush suitable for acrylic paints

Gloss polymer medium (liquid)

Gallery stretched canvas at least 12 x 12" and up to 16" x 20" (student's choice)

Box of plastic garbage bags

Instructor will provide:

All paints and mediums

Textural elements

Some imagery and ephemera
