

Supply List: Individual preferences will dictate some of the supplies to bring.

General Supplies

- Comfortable shoes and clothing
- Smock, apron or old shirt to protect clothing
- Rubber gloves as preferred
- Several garbage bags or sheets of plastic to transfer papers home if damp, or you may also use freezer paper if you have some, feel free to bring it.
- Assortment of Papers for personal use and/or to share

When making Fabric Papers we will be using tissue papers, cocktail/dinner/guest napkins, wrapping papers, (birthday/holiday/wedding/etc.) If you have an assortment of these that you would like to incorporate in your work, bring them along. Whispering Woodlands will have a selection available and will provide light weight muslin for foundation.

Additional individual choices may include thin or lightweight papers, Mulberry colored sheets or scraps work very well, including those that look like lace if you have some. Any additional miscellaneous papers based on personal preferences. Smoother papers work better than highly textured or rough (ie watercolor papers)

A selection of yarns/fibers will be available, but if you have something that you'd like to use, bring them along.

Any additional questions, please feel free to email or phone, thanks. whisper@tds.net or 848-9761
